

AUTHOR/SPEAKER INDEX

This index indicates the paper number for authors and sessions for chairs, and symposia for symposium organizers. Bold lettered paper numbers indicate those being presented by the author, and others indicate associate author status. The following typical examples show the code system whereby individuals are referred.

- G Symposium Organizer for Symposium G
- G2 Session Chair for Session G2 (Symposium G, Session 2)
- G2.1 Author of Paper Number (Symposium G, Session 2, First Paper)
