The hourly surface lot rate is \$2.50/hour.

Paid parking is verified solely through vehicle license plates. Be sure to double check your license plate number to avoid an unnecessary citation!

Pay-by-plate machines are located throughout campus, allowing visitors to purchase parking. To pay for parking, walk to the nearest pay-by-plate machine and follow the on-screen prompts.

ParkMobile

Visitors may also pay for parking via the ParkMobile smartphone app. Parking sessions can be terminated early or extended via the same method used to start the parking session.

Visit parkmobile.com for more information.
