To serve both its audience and its advertisers, MRS Bulletin focuses each issue on a specific technical theme. Use this calendar to determine which issues will provide maximum exposure for your marketing dollars.

In addition, MRS Bulletin presents MRS OnDemand® webinars each month. Known as Webinar Wednesdays, these events complement the MRS Bulletin’s monthly theme topic. Sponsor one of these webinars for only $1000 and put your name in front of the materials science community. Learn more at www.mrs.org/advertising-webinar-series.
