

MRS MEMBERSHIP Discounts for Developing Countries

Interdisciplinary. Broadly Inclusive. Egalitarian.

For the Materials Research Society, these words are at the core of our mission, vision and values—to *build a dynamic, interactive, global community of materials researchers.*

To better serve students and professionals from all technical and economic sectors of the worldwide materials community, those **individuals working or studying in developing countries* are eligible for discounted membership.**

Funded by the Materials Research Society Foundation®, these memberships enable materials scientists to connect with colleagues from around the world, and contribute to, and benefit from, the Society's programs.

2023 Membership Rates (US dollars)	Regular Rate	Lower-Middle Income Countries*	Low-Income Countries*
Professional Membership	\$145	\$63	\$30
Student Membership	\$40	FREE	FREE

*Countries are based on those defined as Low-Income or Lower-Middle-Income Economies by the World Bank. For a complete list of qualifying countries, visit mrs.org/dev-countries-member.

MRS MEMBERSHIP 2023 Benefits

▶ **Electronic access to all MRS journals**

MRS Bulletin, consistently ranked in the top 10% of materials science journals

Journal of Materials Research (JMR), with access to full-text articles from the *Journal's* inception in 1986 to the current issue

MRS Communications, the electronic letters and Prospectives journal

MRS Energy & Sustainability, focused on broad perspectives in energy and sustainability as they relate to the impact of materials research on society—science, technology, socio-economics & policy

MRS Advances, a peer-reviewed, online-only journal featuring snapshots of work in progress on key materials topics identified by MRS Meeting programming

MRS Online Proceedings Library Archive, providing over 100,000 full-text proceedings papers archived from Volume 1 through the 2015 MRS Spring Meeting

▶ **Access to, and inclusion in, the MRS Member Directory**—an online database that allows members to add photos, a brief bio and links to social media sites, and is widely considered an excellent networking tool

▶ **Free MRS e-mail alerts** by signing up at mrs.org/mymrs

▶ **Access to live and archived materials science content** via the MRS OnDemand® Webinar Series

▶ **Discounted registration** rates for MRS Meetings and Workshops

▶ **Opportunities to expand** your career or company via MRS Career Central

▶ **Professional recognition** via the prestigious MRS Awards Program

▶ **Volunteer opportunities** in MRS committees and task forces

▶ **Discounted rates** on a comprehensive suite of author services including academic translation and manuscript preparation via American Journal Experts (AJE)

▶ **and more!**
