**Best Poster Awards**

Poster sessions are an important and integral part of MRS meetings, allowing many more authors the opportunity to share their research and ideas with others. The quality of the poster sessions is a major priority of the Society. The Meeting Chairs will recognize the onsite best presentations from each day of the poster sessions. Virtual poster winners will be announced during the onsite Poster Session on Wednesday. One or more awards of up to $500 will be presented by the Meeting Chairs.

The Meeting Chairs will select the winners on the basis of the poster’s content, appearance, graphic excellence and presentation quality (not necessarily equally weighted). The Best Posters will remain on display in a central location for the remainder of the meeting.
Recorded presentations for on-demand viewing on the virtual platform: MRS strongly encourages all presenters, both onsite and virtual, to record and upload a pre-recorded audio over PowerPoint version of their presentation, which should be saved in either an .MP4 or .MOV format. This will provide a wider audience for your talk and provide all registered attendees, both onsite and virtual, the opportunity to view all 2023 MRS Fall Meeting presentations on their own schedules. Registered attendees will have access to the virtual meeting and will be able to view on-demand content until January 31, 2024. Instructions for creating and uploading an on-demand presentation will be posted when available. We recommend you upload your recorded presentation by November 22.

MRS Recording Policy:
Recording of Presentations is Strictly Prohibited
No individual or entity—including a presenting author—may electronically record or broadcast any portion of the MRS Meeting without prior written consent of MRS. Unauthorized recording (audio, video, still photography, etc.) of presentations during sessions, posters, workshops, tutorials, etc., without the express written consent of MRS and individual authors is strictly prohibited. MRS reserves the rights to any approved audio and video production of presentations at all MRS events.

Press representatives must receive a Press Pass and photo/recording permission from MRS. Those who do not comply with the MRS recording policy may be asked to leave the premises.

Photo Policy
Attendees or exhibitors are encouraged to network and enjoy the meeting experience. As such, capturing memories of casual meeting activities and networking is permitted with the permission of those being prominently photographed.
