

# 2024 MRS<sup>®</sup> FALL MEETING & EXHIBIT

December 1–6, 2024 | Boston, Massachusetts

# CALL FOR NATIONAL LABORATORIES & USER RESEARCH FACILITIES

## Showcase your facility, research and services...

User Research Facilities across the world are united in their goal to provide researchers with access to cutting-edge equipment and expertise to help advance scientific and technological innovation. These resources are important for solving our most pressing societal challenges.

The Materials Research Society is pleased to present a **NATIONAL LABORATORIES & USER RESEARCH FACILITY Pavilion** at the 2024 MRS Fall Meeting & Exhibit. Located in the Exhibit Hall, the dedicated Facility pavilion will highlight the wide variety of user access models and capability offerings available to the research community.

## Additional Pavilion Benefits

- Registration Area Pavilion Signage
- Pavilion overhead signage
- Email publicizing Pavilion to MRS Fall Meeting preregistered attendees
