

80TH DEVICE RESEARCH CONFERENCE

June 26-29, 2022 // The Ohio State University // Columbus, Ohio

JOIN US AT DRC!

We invite your organization to participate as an exhibitor or sponsor!

This year marks the 80th anniversary of the Device Research Conference (DRC)—the longest running device research meeting in the world. DRC will bring together leading scientists, researchers and students from varied disciplines in academia and industry to share their latest research and discoveries in the field.

Considered one of the premier device conferences, this conference will feature plenary sessions, parallel technical sessions, short courses, an evening rump session, poster session, industry exhibit, and awards.

Topics to be presented include:

- Biological Devices
- Emerging Devices
- Devices for Extreme Conditions
- Spintronic and Magnetic Devices
- Memory Devices
- Modeling and Simulation of Devices
- Nanoscale and Vacuum Devices
- Optoelectronic and Optical Devices
- Power Devices
- Quantum Devices
- Heterogeneously Integrated Devices
- Thin-film Devices
- RF and Terahertz Devices
- Wide-bandgap Devices

DRC is held in coordination with the Electronic Materials Conference (EMC), which occurs the same week, from June 29-July 1. This recognizes the strong interaction between device and electronic materials research and provides fruitful exchanges of information between attendees of both Conferences.

EXHIBIT MECHANICS

LOCATION

The Ohio Union at Ohio State University
1739 N. High Street
Columbus, OH 43210
Performance Hall, First Floor

Treasurer

Thomas Jackson
The Pennsylvania State University

80TH DEVICE RESEARCH CONFERENCE

June 26-29, 2022 // The Ohio State University // Columbus, Ohio

SPONSOR – PROMOTION

Support of the **80th Device Research Conference** serves as visible evidence of your organization's commitment to the device technology community.

DRC offers numerous promotional opportunities to build your company recognition and ensure your organization has a place in the minds of the DRC audience. Challenge your competition and maximize the impact of your message!

All DRC Sponsors will receive company recognition and acknowledgement throughout the conference in both on-line and printed materials.

DRC ACTIVITIES

Welcome Reception and Poster Session | \$2,500

The evening reception and poster session are highlight events of the DRC meeting since its introduction in 2001. This is an excellent networking opportunity for government, industry and academia.

Conference Banquet and Rump Sessions | \$2,500

The headline social event of DRC is the conference banquet and rump session. This is an exceptional opportunity to showcase your company's involvement in the device community.

Refreshment Breaks | \$1,200

Entice attendees during a coffee break or other refreshment break with your logo/message on signage in what is always a high traffic area of the conference.

If your company is looking for other opportunities to support the DRC, please consider a Premier Registration option. Details will be posted when registration opens in mid-April.
